Target version:		Spent time:	1.50 hour
Description			
While diagnosing a problem with saving files for PA1677 (MI RF Control) I thought I better check to see whether the problem existed with the Recycler version and it does.

History

#1 - 01/31/2015 04:03 AM - Kyle Hazelwood

- Related to Bug #7639: Saving file doesn't work added

#2 - 01/31/2015 04:54 AM - Kyle Hazelwood

- Status changed from Assigned to Resolved

Increasing the HV_MAX_SLOTS constant in table.h fixes the problem just like it did for PA1677.

#3 - 01/31/2015 05:02 AM - Kyle Hazelwood

The fix is released in the latest version of PA4225.

#4 - 01/31/2015 05:03 AM - Kyle Hazelwood

- Status changed from Resolved to Closed
